Paying your dues annually not only helps keep our new gym lights on, but it keeps you on the mailing list to receive this fantastic monthly newsletter, either online or in the mail. John Fredrickson said, "Our club membership is going strong and we have a great future ahead of us." As we work towards making the club less labor intensive with permanent fences, more energy efficient with LED lighting and new windows, and new members coming on board monthly, this member believes this is a true statement.

If you would like to mail your dues to the club, here is the address:
